Vista la delibera del C.I.P.E. del 27 luglio 1978;

Ritenuto necessario procedere all'aggiornamento dei prezzi, nel quadro delle compatibilità generali determinate dalla difficile situazione economica del Paese;

### Delibera:

- 1) Il costo della manodopera e l'aliquota afferente la remunerazione del capitale investito, da considerare ai fini della determinazione e revisione dei prezzi delle specialità medicinali, sono aggiornati a decorrere dal giorno successivo a quello della pubblicazione del presente provvedimento nella Gazzetta Ufficiale come segue:
  - a) costo mano d'opera L. 10.500/ora;
  - b) remunerazione del capitale investito 16%.

Con pari decorrenza avranno applicazione i prezzi delle specialità medicinali compresi nell'allegato A). Tali prezzi sono comprensivi di IVA.

2) Tenuto conto dei problemi derivanti dalle giacenze di materiali e di prodotti finiti, è consentita la sovrastampa indelebile o l'adozione di un bollino trasparente da sovrapporre — fino ad esaurimento delle scorte — alla fustella o etichetta originale che consenta di identificare chiaramente questi ultimi con particolare riguardo al nome del prodotto.

Il bollino in questione, una volta applicato, non potrà essere asportabile se non deteriorando la fustella o etichetta originali.

Considerati infine i problemi organizzativi derivanti alla distribuzione dalla simultanea variazione dei prezzi di un così elevato numero di confezioni, per un periodo di centoventi giorni successivi alla data di pubblicazione nella Gazzetta Ufficiale del presente provvedimento, le specialità medicinali di cui all'allegato A) al provvedimento n. 44/1981, possono essere cedute anche al prezzo antecedente.

3) Ai fini del provvedimento di registrazione da parte del competente Ministero della sanità, sono fissati i prezzi al pubblico IVA compresa delle specialità medicinali di cui agli allegati B), e C).

Ciascuno dei prezzi deliberati sarà efficace solo dopo la registrazione, quale specialità medicinale, da parte del competente Ministero della sanità del prodotto cui il prezzo stesso si riferisce. Conseguentemente i prezzi in questione saranno pubblicati nella Gazzetta Ufficiale contestualmente o in concomitanza con l'emanazione dei decreti di registrazione quali specialità medicinali dei rispettivi prodotti, a mezzo elenco progressivo nei quali sarà riportata la data del presente provvedimento ed il numero progressivo dell'elenco.

- 4) I margini di distribuzione da applicare sui prezzi delle specialità medicinali di cui agli allegati A), B) e C) sono fissati come segue:
  - grossisti: 8°, sul prezzo al pubblico al netto dell'IVA;
  - farmacisti: 25% sul prezzo al pubblico al netto dell'IVA.

Roma, addi 9 dicembre 1981

Il Ministro - Presidente delegato
